Sir,

Sub: PKVIB - Supply of Information under RTI Act,
2005 - Reg.

Ref: Your Application in Section 6(1), dated 08.12.2008
(Received by the Office on 29.12.2008)

I am to furnish below the particulars of information asked for you in point-wise:-

1. It seems that you have misconceived the earlier reply dated 13.11.2008 furnished to Ms. Ancy Sarah Philip, since it disclosed only the details of Village Industrial Units run by the Board and not as otherwise.
- 2,6&7. There is no nodal agency for data collection. However, such functions are carried out by the Statistical Wing of the Board comprising of one Statistical Assistant and one Comptor(Statistics).
3. No survey is undertaken by the Board.
4. No publication is made by the Board so far.
5. Both the Officials involved in the data collection possess a degree in Economics.
8. No money is involved in the process of data collection, in the absence of printing of the same.
9. The pay and allowances involved in the data collection are met by the Grant-in-aid received by the Govt. of Puducherry.
10. Though the activities of the Board are spread over to all four enclaves of Govt. of Puducherry, the collection and compilation of data are carried out in the Administrative Office, Puducherry.
11. Now the reports are not available Online. However, the Board is taking action to make the data Online through Website.
12. The compilation of data are done in the computer of the Board.
