

പൊതുഅറിയിപ്പ്

മോട്ടോർ വാഹന വകുപ്പ്

കേരള സർക്കാർ

വ്യാജ അതിസുരക്ഷാ നമ്പർ പ്ലേറ്റുകൾ വാഹന ഉടമസ്ഥർ സൂക്ഷിക്കുക

കേരളത്തിൽ ഉടനീളം ചില വാഹന ഡീലർമാരും ഏജൻസികളും സർക്കാർ അംഗീകൃത അതിസുരക്ഷാ നമ്പർ പ്ലേറ്റുകൾ (High Security Registration Plates - HSRP) എന്ന വ്യാജേന നമ്പർപ്ലേറ്റുകൾ ഉണ്ടാക്കി വിൽക്കപ്പെടുന്നതായി ശ്രദ്ധയിൽപ്പെട്ടിട്ടുണ്ട്. കേരള സർക്കാർ അതിസുരക്ഷാ നമ്പർ പ്ലേറ്റുകൾ നടപ്പിലാക്കിയിട്ടില്ലായെന്നറിയിക്കുന്നു. ഇപ്പോൾ അതിസുരക്ഷാ നമ്പർ പ്ലേറ്റുകൾ എന്ന പേരിൽ വിൽക്കപ്പെടുന്ന നമ്പർ പ്ലേറ്റുകൾക്ക് യഥാർത്ഥ അതിസുരക്ഷാ നമ്പർ പ്ലേറ്റുകളുമായി കാഴചയിൽ സാമ്യം ഉണ്ടെങ്കിലും കേന്ദ്ര സർക്കാർ നിർദ്ദേശിക്കുന്ന സുരക്ഷാ സവിശേഷതകൾ ഇല്ല. അതുകൊണ്ട് ഇത്തരം പ്ലേറ്റുകൾ വാഹനത്തിൽ ഘടിപ്പിക്കുന്നതുകൊണ്ട് പ്രയോജനമൊന്നുമില്ല.

യഥാർത്ഥവും നിയമസാധുതയുള്ളതുമായ അതിസുരക്ഷാ നമ്പർ പ്ലേറ്റുകൾ നിർമ്മിക്കപ്പെടുന്നതും വിതരണം ചെയ്യപ്പെടുന്നതും റീജിയണൽ ട്രാൻസ്പോർട്ട് ഓഫീസുകൾ മുഖേന ആയിരിക്കണമെന്നാണ് കേന്ദ്ര മോട്ടോർ വാഹന ചട്ടങ്ങൾ നിർദ്ദേശിക്കുന്നത്. അതിസുരക്ഷാ നമ്പർ പ്ലേറ്റുകൾ നടപ്പിലാക്കുന്നതിനുള്ള നടപടിക്രമങ്ങൾ സർക്കാരിന്റെ പരിഗണനയിലാണ്. വ്യാജ നമ്പർ പ്ലേറ്റുകൾ വാങ്ങി വഞ്ചിതരാകരുതെന്ന് ഇതിനാൽ അറിയിക്കുന്നു. കൂടുതൽ വിവരങ്ങൾക്കായി സന്ദർശിക്കുക

Vehicle Owners Beware!

High Security Registration Plates (HSRP) authorized and issued only by the Regional Transport Offices are genuine and legal.

Those sold by local vendors are fake and illegal.

High Security Registration Plates -

as per amended Rule 50 of the Central Motor Vehicle Rules 1989, where HSRP has been implemented.

TRANSPORT DEPARTMENT
GOVERNMENT OF MAHARASHTRA
3rd license plate on wind screen
DL 01 AB 1234
AB 1234567
AB 8901234
ENGINE NO - 245867
CHASSIS NO - 268972

Passenger Cars / Light Motor Vehicles

Two & Three Wheelers

Passenger Cars / Light Motor Vehicles

Medium Commercial Vehicles,
Heavy Commercial Vehicles &
Trailer / Combination

Two & Three Wheelers

Post the recommendation by the Technical Committee in 1997;

Rule 50 of the Central Motor Vehicle Rule 1989 was amended in the year 2001.

This amendment laid down the modified specifications for display of a vehicle's registration number vide gazette notification number G.S.R. 221 (E) dated 28-03-2001, S.O. 814(E) dated 22-08-2001 and S.O. 1041 (E) dated 16-10-2001.

The scheme of High Security Registration Plate (HSRP) was thus introduced in India.

High Security Registration Plates (HSRP) have the following features to ensure vehicle safety:

- A 1.0 m aluminium plate
- Letters in black color on yellow background for commercial vehicles
- Letters in black color on white background for non-commercial vehicles
- Letters in English and the figures in Arabic numerals
- Rounded border edges and corners of approx. 10 mm
- Embossed borders
- Security inscription of the black hot stamp film used to color the embossed legend of the license plate hand side just below the words IND as a sequential identification of individual license plates across the country and as a watermark that cannot be erased
- Fastening by snap locks to prevent removal and reusability
- A hot stamped hologram with the image of 'CHAKRA'
- High quality laminated and embossed retro reflective sheeting
- High quality laminated and embossed retro reflective sheeting
- Third License Plate (TLP) sticker on wind screen. It is a self - destructive, self -

adhesive sticker containing all information pertaining to the vehicle's registration and serves as double secure identification mark.

It has been observed that many duplicates of the High Security Registration Plates have flooded the market. They may look similar, but do not have the security features prescribed by the Ministry of Road Transport and Highways, besides violating the Government of India directive that states that only a government authorized body can manufacture and supply such number plates. Buying such number plates from local vendors and dealers, is not only illegal, but also puts the vehicle and its owner at a great risk.

Only Regional Transport Offices can authorize High Security Registration Plates after the necessary verifications. This directive is already implemented in Meghalaya, Sikkim and Goa and will soon be issued all over India.

In states where this directive is not implemented yet, all vehicle owners are hereby requested to use normal number plates devoid of any fancy lettering or design as per gazette notification number G.S.R. 901 (E) date 13th December 2001. These normal number plates have letters in black on a white background for non - commercial vehicles and letters in black color on a yellow background for commercial vehicles.

Vehicle Owners Beware!

High Security Registration Plates (HSRP) authorized and issued only by the Regional Transport Offices are genuine and legal.

Those sold by local vendors are fake and illegal.
